

JERUSALEM COLLEGE OF ENGINEERING
(An Autonomous Institution)

National Engineers' Day Celebrations
17.9.2021

A Report

Engineer's Day is celebrated in India on September 15, on the **occasion of the birth anniversary of Sir Mokshagundam Visvesvaraya** who was an Indian civil engineer. National Engineers' Day was celebrated on 17.9.2021 at 2.00 pm in our College auditorium. The guests of honour were **Mr. E. Karunanidhi, Manager, Human Resources, Jasmin Infotech Pvt., Ltd., Chennai and Mr.Srinivasan Palanisamy, Chief Engineer, Visteon Technicl and Training Centre, Chennai.** Teaching and Non teaching staff of our college attended the celebrations.

The celebrations started with prayer song followed by lighting of the traditional kuthuvilaku. **Principal, Dr.S.Ramesh** welcomed the gathering and shared a brief note on the significance of the day. The guests were felicitated with shawl , boquet and memento by **Principal Sir and Dean Student Affairs, Dr.S.Elangovan.**

Dean Academics, Dr.S.Anuradha, introduced the guest, **Mr. E. Karunanidi to the audience. Mr. E. Karunanidi has** 15+years experience in IT Industry, with specialized skills in areas such as Employee Engagement and Relations, Rewards & Recognition, Performance Appraisal, Attrition Management, Business Continuity & Operational Excellence, Relationship Management, Process Management & Operational Excellence, Recruitment and Resource management.

Dean Student Affairs, Dr.S.Elangovan introduced the guest **Mr.Srinivasan Palanisamy** who is an Electro-Mechanical Engineer and Researcher with over 20 years of Experience in Global Environment on Product Design, Product Development, Manufacturing Processes, Product Testing, Automation and Injection Molding and Light Metal Castings for Automotive Electronics products. He has **worked at various automotive industries namely Visteon, Continental, TATA Group and TVS Group.**

The guests shared valuable perspectives on grooming the behavioral and technical skills of our student community to make them industry ready. Mr. Karunanidhi emphasized on the importance of developing commitment and interpersonal skills in the students to make them responsible engineers of tomorrow. Mr. Srinivasan Palanisamy presented the importance of Complete System thinking and interdisciplinary research to build end to end solutions in today's revolutionary technical world.

The **programme convener, Dr.Sheeja V Francis, HOD/BME** proposed the vote of thanks. The celebrations ended with the national anthem and high tea.
